

Team Member Evaluation

f/m/d

Service and Competence Center for Higher Education Development and Quality Management

With nearly 4,000 students in nine topic areas, the St. Pölten University of Applied Sciences is a key player in the Austrian higher education sector and one of the most important employers in the region. The St. Pölten UAS stands for unique creative possibilities as well as team-oriented collaboration and leaves room for individual development and personal growth.

Staff members also profit from our European network within the context of the University Alliance E³UDRES²! The University of Applied Sciences is constantly growing.

 3100 St. Pölten - Campus-Platz 1

 30-40h **1** **immediately**

Apply now!

What you will be working on:

- You conduct qualitative and quantitative surveys with different target groups
- You contribute to the continuous quality assurance and development pursuant to the evaluation cycle for studying and teaching
- You process evaluation results in a target group-oriented and context-specific manner and present them at different institutional levels
- You actively integrate the results into existing formats of our institution (e.g., within the framework of the new or further development of curricula, or strategic development processes)
- You follow the latest developments in the field of evaluation in higher education and take part in specialist conferences to identify new impulses and current trends

What we expect from you:

- Successfully completed study programme, preferably sociology, social sciences, educational sciences, or a related field
- Strong interest in the higher education sector, especially in evaluation and quality management
- First experiences in the independent planning and execution of qualitative and quantitative surveys and their analysis is a plus
- Very good written and oral English language skills (C1)
- Independent working style, good communication skills, team spirit, and result orientation
