### Explanations

**General semester duration:** Winter- and summer semester always begin and end at the same time.  
 Winter semester: September 1st to February 14th; Summer semester: February 15th to August 31st.

These dates set the basic framework for the duration of the semester. Within these periods, enrolled regular students and extraordinary students in courses for further education are insured and a confirmation of enrolment can be issued (provided there is no interruption)
