Notes

Framework semester duration

Both the winter and summer semesters always begin and end at the same time in accordance with Statute Part 2 – Study Law:
Winter semester: 01 September – 14 February; Summer semester: 15 February – 31 August

These dates define the basic framework for the duration of the semester. Within these semester dates, regular degree-seeking students and students on further training programmes are covered by student insurance and confirmations of enrolment are issued for these periods.
